*Webfoot Painting to Donate \$5,000 Worth of
Painting Services to Family or Nonprofit in
Need; Requests Recommendations from the
Community*

BEND, OR, Jan. 4, 2010 - Webfoot Painting Co., a leading residential and commercial painting company serving Central Oregon, announces its inaugural \$5,000 Charity Paint Giveaway. Nominations are currently being accepted for deserving families or nonprofit organizations in need of painting services. The Bend-based company will select one recipient in the Bend/Redmond area based on need and compelling story to receive \$5,000 in free paint, labor and materials.

Webfoot Painting co-owners Gavin Hepp and Travis Ulrich and the entire crew will provide their time, talents and resources using paint products donated by Sherwin Williams. For the next two months, Webfoot Painting welcomes stories of worthy recipients. The winner of the giveaway will be determined by a company vote in March and will experience a one day makeover of their home or office in the spring.

“At Webfoot, we are driven by the joy our clients feel when they see their freshly painted home or business. It’s the simple cosmetic changes that can reenergize a household or company and lift spirits. We look forward to bringing that joy to a family or nonprofit entity that may not otherwise afford it, especially

during these challenging times,” said Hepp. “Our goal is for the event to grow each year and have it be a staple in a community in which we live and work. Along the way, we hope to inspire other tradesmen to do the same and give back.”

Webfoot asks the community to provide written stories, pictures and any supporting materials no later than February 28, 2010 via the company’s website submission form (www.webfootpainting.co), email (gavin@webfootpainting.co) or mail (61535 S. Hwy 97 Ste. 9-277, Bend, OR 97702).

In addition to Sherwin Williams serving as the official sponsor of paint materials, Webfoot thanks Pronto Printing, Dana Signs and the Bend Radio Group who have been helping with the promotion of the event.
