***Webfoot Painting Announces The Bend
Ronald McDonald House as the Winner of
\$5,000 Worth of Painting Services***

BEND, OR, March 15, 2010 - Webfoot Painting Co., a leading residential and commercial painting company serving Central Oregon, has announced the winner of their inaugural \$5,000 Charity Paint Giveaway. Over the first couple two months of the year nominations were accepted for deserving families or nonprofit groups in need of painting services. Supporting sponsors and the employees of Webfoot Painting then voted for one recipient in the Bend/Redmond area based on need and compelling story to receive \$5,000 in free paint, labor and materials.

This is the 1st Annual Charity Paint Giveaway sponsored by Webfoot Painting. Any deserving family or nonprofit organization could be nominated to receive the gift of \$5000 in free paint and services. Deserving entries from all around Central Oregon were received, but ultimately, there could only be one winner. After a vote by the employees of Webfoot Painting and all the supporting sponsors, the winner of the 2010 Webfoot Painting Charity Paint Giveaway is the Bend Ronald McDonald House!

The Bend Ronald McDonald House supports over 200 hundred families a year who have children being helped at the St. Charles Medical Center. They are open 365 days a year, 24

hours a day so that when a family needs them, they are there. The Bend Ronald McDonald House is twelve years old and the exterior is really showing its age. In April Webfoot Painting will focus their efforts on cleaning up that exterior. For more information on this project visit www.webfootpainting.com.

Webfoot Painting wishes to thank all of Central Oregon for their stories and support. The giveaway could not have happened without the support of the community. Also a big thanks to the sponsors Sherwin Williams, Pronto Print, Dana Signs and the Bend Radio Group for making this event possible. Plans are already in work for the 2nd Annual Charity Paint Giveaway in 2011.
